

THE LEADING INTERNATIONAL
CANCER IMMUNOTHERAPY
CONFERENCE IN EUROPE
8th ImmunoTherapy of Cancer Conference
October 8 – 9, 2021 • Virtual Conference

Dear participant,

Thank you for your registration for the **8th ImmunoTherapy of Cancer Conference (ITOC8)** which will take place virtually on October 8 - 9, 2021.

We would like to provide you with some important and useful information concerning the upcoming virtual meeting.

Please read this email thoroughly

1. YOUR REGISTRATION

Remember that access to the virtual platform will only be possible if you use the email address you have used for registration as well as the password you have chosen.
Changing this email address is NOT possible.

2. PASSWORD

Due to security and privacy reason we do NOT have access to your password.

In case you have forgotten your password, click on the link below to reset it:

<https://www.eventure-online.com/eventure/login.form?P99c85068-d589-454a-ae94-ce1e939a23c1&showForgotten=true>

If you experience any problems accessing the platform, please get in contact with our technical team at the following email:
support@steinerlive.com

3. ACCESS TO THE PLATFORM

The ITOC8 Conference will take place fully online on a **virtual platform**. You can access the virtual platform from any laptop, tablet, or mobile device with internet access by clicking on the link or typing the URL in your browser (Mozilla Firefox and Google Chrome are recommended).

[CLICK HERE TO ACCESS THE VIRTUAL PLATFORM](https://steinerlive.scoocs.co/itoc/login_eventure)

(https://steinerlive.scoocs.co/itoc/login_eventure)

Enter the email and password you have used for registration to enter the platform

4. VIRTUAL PLATFORM

The virtual platform is the “venue” of the conference. ITOC8 has aimed at incorporating similar aspects of the physical conference to the virtual environment. Therefore, you will have access to the best presentations in the area in a **live format**. To ensure an uninterrupted playing of presentations, all talks have been pre-recorded. At the same time you will be able to interact with **speakers of live presentations** via a live chat and with **speakers of On-Demand Symposia** and **e-Poster** presenters **via a messaging form**.

We encourage you to login before the actual start of the conference to ensure you can access the platform and leave time to solve any technical issues you may have before the live part of the conference starts.

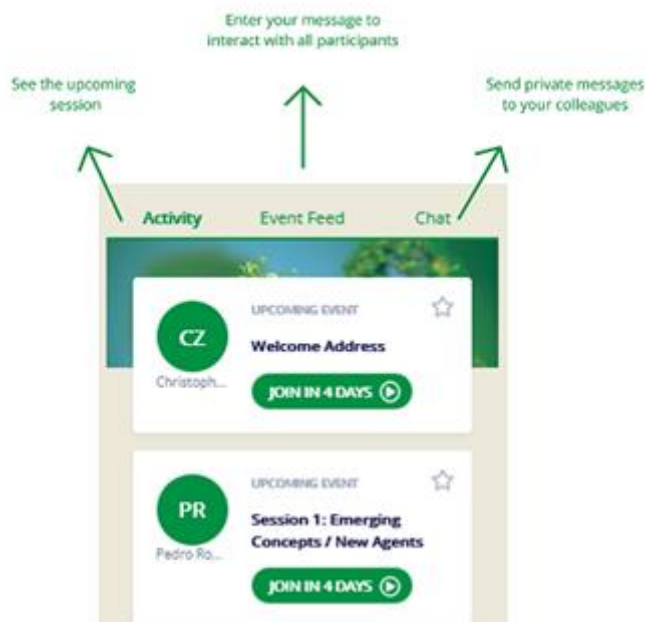

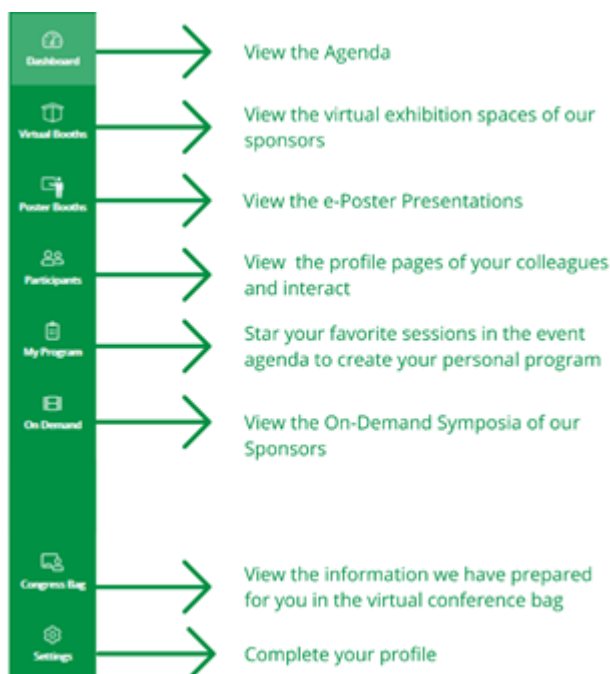

Note that the virtual stands of our sponsors as well as the live presentations will be available as of Friday, October 8, 2021 in the morning when the conference begins.

In the meantime, we invite you to complete your profile in the “Settings” so that your colleagues can interact with you. Should you though prefer not to be contacted, you can navigate the platform in “incognito mode”.

Notes:

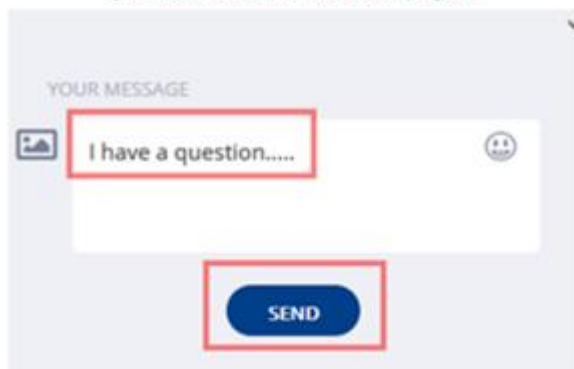

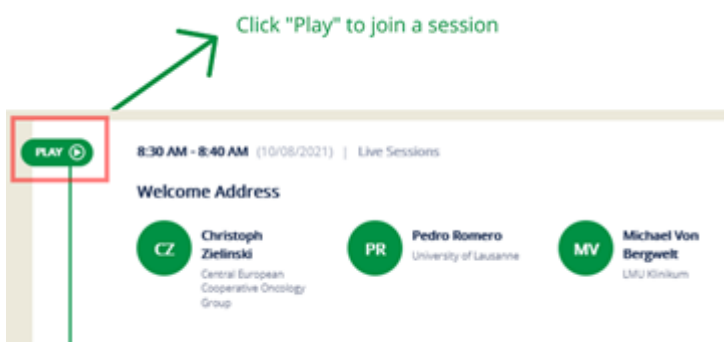

- in case you are navigating the platform in “incognito mode” you will not be visible to other participants and cannot be reached via the chat function.
- when visiting the virtual exhibition spaces of our sponsors, your name and the time of your visit will be visible in the analytics, but the email address (even if entered in your profile) will not be communicated.

Note that when you have an official task at the conference as a speaker or moderator your profile is set and cannot be changed to “incognito mode” to enable participants to get in touch and ask questions related to your presentation.

Enter your question(s) to the speaker in the public chat next to the window where the live streaming is being played and click on “send”.

Questions will be selected and addressed by the chairpersons in the live Q&A with speakers after the pre-recorded talks have been played.

5. CORPORATE SYMPOSIA

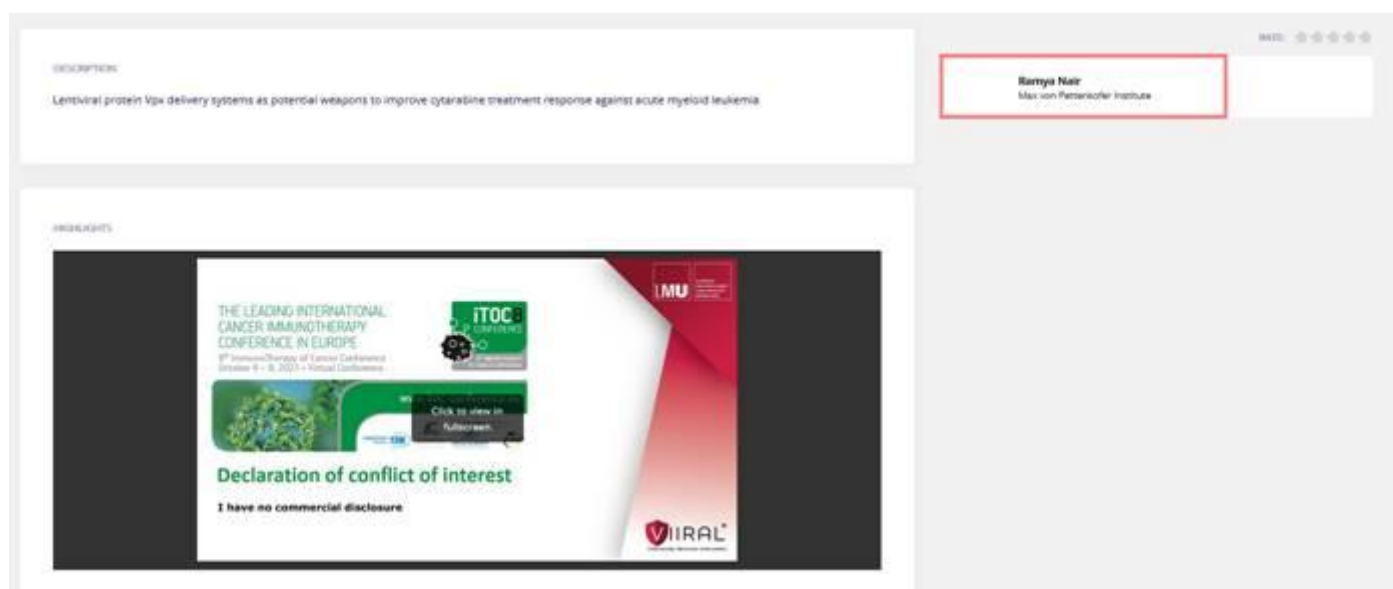

Our ITOC8 Sponsors invite you to attend their corporate Symposia taking place on **Friday, October 8, 2021** and **On-Demand**:

- **Live Corporate Symposium 1: 10x Genomics – Friday, October 8, 2021 at 12.50 – 13.20 hrs**
Immune Cell and Repertoire Profiling at Single Cell Resolution
- **Live Corporate Symposium 2: NanoString Technologies – Friday, October 8, 2021 at 17.20 – 17.50 hrs**
Tackling Cancer Research Challenges with Spatial Biology
- **On-Demand Corporate Symposium 1: Sino Biological**
Strategies and challenges for generation of high-quality antibodies-Sino Biological Inc.
- **On-Demand Corporate Symposium 2: Vision Zero**
Vision-Zero E.V. - Together Against Cancer | An Initiative For A New Approach In Oncology

The detailed programmes can be found on our website and by clicking on the respective symposia slots on the virtual platform.

6. INFORMATION FOR POSTER PRESENTERS

Your posters have been assigned to your registration name. As soon as you will once have logged into the platform, the messaging system will be activated and you can be contacted by participants having questions and comments on your poster by clicking on your name on the right side.

You will see a notification on the platform when a message has been received.

We encourage you to go back to the platform during the 1 month on-demand review period from time to time to check on any questions that may have come in after the conference has taken place on October 8 - 9, 2021.

7. INFORMATION FOR LIVE SPEAKERS

After your live task, please kindly click on your session and reply to unanswered questions directly in the session chat. We encourage you to go back to the platform during the 1 month on-demand review period from time to time to check on any questions and comments that may have come in after the conference has taken place on October 8 - 9, 2021.

Please make sure to again review the moderators & speakers manual we have sent to you prior to the briefing.

8. SPONSORS - VIRTUAL SPONSORS PAGES & SATELLITE SYMPOSIA

Without the generous support of our sponsors, the organization of the ITOC conferences would not be possible.

We invite you to visit the Virtual Sponsors Pages, Live and On-Demand Satellite Symposia of our sponsors and to view the information they have prepared for you.

Get in touch with company representatives on their sponsor pages by clicking on the contact name or schedule a 1-1-chat. **The virtual exhibition spaces of our exhibitors will be open as of Friday, October 8, 2021 at 08.00 AM CEST. As of then, the button "Virtual Booths" will be visible to all participants in the menu bar.**

9. CERTIFICATE OF ATTENDANCE & CME CREDITS

All registered participants of the ITOC8 conference will receive a certificate of attendance after completion of an online survey. The link to the survey will be sent to you after the conference on Monday, October 11, 2021. At the end of the survey you will be able to download your personalized certificate and/or have it sent to your email address.

As per the rules of EACCME, CME credits can only be claimed for live sessions and NOT for on-demand sessions.

CME Designation

The 8th ImmunoTherapy of Cancer Conference is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

ITOC8 is designated for a maximum of 11 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

The EACCME awards ECMECs on the basis of 1 ECMEC for one hour of CME with a maximum of 7 ECMECs per day.

10. SCIENTIFIC PROGRAMME

The ITOC8 Conference programme has been adapted to a virtual setting and will give you the opportunity to watch live, on-demand and e-poster presentations, but also to review the recording of all live sessions at your own pace as of 24hrs after the conference **until November 9, 2021 at 24:00 CEST**.

[CLICK](#) to Download the Final PDF Programme

Live Sessions

Live sessions will take place at a specific time set in the programme. During this time attendees will have the possibility to ask questions to the presenters in the live session chat. Session moderators will convey the questions to the speakers who will be joining “live” after their pre-recorded talk has been played, to answer questions from the audience.

You can access the live sessions that are currently streaming by clicking on the “Play” button on the virtual platform. There you will be able to watch the sessions and participate in the chats.

Please note that all times mentioned on the conference website and in the PDF Programme are in Central European Summer Time (CEST; GMT+2)

To see what time this is in your time zone, click here <https://www.thetimezoneconverter.com/>

On-Demand Symposia

On-Demand Symposia will be available to all registered attendees at all times, from the start of the virtual conference until November 9, 2021 at 24:00 CEST. Interaction with presenters is possible via a messaging system incorporated in the virtual platform.

e-Poster Presentations

e-Poster presentations will be available to all registered attendees at all times, from the start of the virtual conference until November 9, 2021 at 24:00 CEST. Interaction with presenters is possible via a messaging system incorporated in the virtual platform.

11. SOCIAL MEDIA

Connect with your colleagues and get the latest news!

Follow us on Twitter [@ITOCconference](https://twitter.com/ITOCconference) to share news about ITOC8 with your colleagues. [Click here](#) to see the ITOC Code of Conduct.

12. NEED HELP?

In case of any questions related to:

- registration or general requests, please do not hesitate to contact us by email at: itoc@medacad.org
- technical issues, please contact us by email at support@steinerlive.com

We look forward to welcoming you to **ITOC8** soon!

Kind regards,
Catherine

Catherine Tomek
ITOC8 Conference Manager
